ORGANIZED & SANCTIONED BY
WTF TAEKWONDO FEDERATION OF B.C.

2015 MASTERS CUP

It is with great honor and privilege that I serve as the President for the BC Taekwondo Federation. The BC Taekwondo Federation is the official PSO (Provincial Sport Organization) for Taekwondo and we look forward to serving our members with opportunities for training and growth from the grass-roots level all the way up to our elite high performance training athletes.

As always, our tournaments are a great opportunity to test one's skills in an environment of support and mutual respect. We are excited to host another successful tournament with the help of our officials, volunteers, and participants. We also look forward to having competitors from outside of B.C. take part in this tournament to enhance spirit of competition.

Recently, we as a PSO, have made wonderful steps to promoting Taekwondo in our Province. Both the cities of Burnaby and North Vancouver have made official proclamations for "Taekwondo Kukkiwon Day" leading the way to increase awareness of the benefits of Taekwondo training and promoting increased sport participation. We are excited about these initiatives as it will also increase the number of athletes that will represent our province and country at competitions. Taekwondo Day is officially proclaimed here in the City of North Vancouver for November 28th, 2015, the date of our 2015 BC Master's Cup Championships. Once again, thank you to the City Council of North Vancouver for your support. I would also like to thank our board of directors for their dedication and commitment to our organization.

I would also like to take this opportunity to congratulate Master Tony Kook, our Provincial Vice President, as he was recently elected to be the Vice President of Taekwondo Canada. Together, Taekwondo BC and Taekwondo Canada look forward to providing additional training and development workshops here in BC to support all of our members.

Tournaments like these are not possible without the support of specific individuals that volunteer their time and efforts. Thank you Master Jason Ruiter, our tournament director, along with his tournament committee for organizing this event. We look forward to seeing many participants at this upcoming tournament and I would like to wish everyone good luck and a safe, exciting event!

In closing, I'd like to congratulate our local BC athletes who participated in the Pan- American championships this September in Aguascalientes Mexico where Josipa kadafar placed in the top eight and Ethan Jenkins won the bronze medal.

Master Song Chul Kim
President, BC Taekwondo Federation
