# 2016 BC Taekwondo Championships

On behalf of BC Taekwondo Federation, I would like to give all of you a warm welcome to the 2016 BC Championships held here in the beautiful city of Burnaby. This annual tournament is one of the major annual championships in BC with more than 800 medals to be won.

This is where competitors could showcase their hard earned skills and spirits as true Taekwondo martial artists. As always BC will be implementing the use of electronic gear system where accurate and precise point registration is available for both our Senior and Junior A Black Belts. Along with many other benefits of having this system in place, it will intimately equip our competitors with the necessary tools for success in the sport of Taekwondo. I also would like to take this opportunity to encourage and wish all of our B.C. Black Belt competitors good luck as they prepare for the upcoming Senior National and Junior National Championships which will be held in May in Calgary, Alberta. I am sure that it is all of our British Columbians' sincere wish for our provincial athletes to bring home medals! All competitors should be reminded by their achievement that hard work and dedication do provide great opportunities that could open many doors in the sport of Taekwondo.

Special announcement - Taekwondo BC and Taekwondo Canada is excited to announce that the City of Burnaby will be host to the 2016 World Junior Taekwondo Championships!

I would like to thank all the Masters, officials, referees and volunteers for their dedication and commitment in preparing this year's B.C Championships. All family members' and supporters' enthusiastic cheers for our athletes at this Championships are greatly appreciated.

I will be looking forward to seeing you all at this year's B.C. Championships.

With warm regards,  
Senior Master Song Chul Kim  
President, WTF British Columbia
