# 2017 B.C. MASTERS CUP

On behalf of the BC Taekwondo Federation, I would like to welcome everyone to the 2017 BC Master's Cup Championships. We are proud to have our event come back to the North Shore at Capilano University.

I would like to personally welcome all of our honored guests from all over B.C. and all athletes and guests from out of town. Like all tournaments here in B.C., competitors will be able to showcase their hard earned skills and spirit as true Taekwondo martial artists.

2017 has been yet another milestone for the Province of B.C. and Taekwondo. We had athletes successfully win medals at the recent Pan Am Taekwondo Championships in Costa Rica and the Universiade Championships in Taipei. We are so proud of your accomplishments. This year's BC Master's Cup tournament will be a major Provincial tournament before the 2018 Canadian National Championships which will be held in January of next year. I am confident that our athletes will proudly represent our province and bring back medals for their hard work. All competitors are encouraged and reminded that their achievements are the result of hard work and dedication which will then open many doors in the sport of Taekwondo and all other endeavors.

I would like to thank all the Masters, Officials, volunteers, our committee members, and all supporters for your dedication and commitment in preparing this year's B.C. Master's Cup Championship Tournament.

Sincerely,  
Senior Master Song Chul Kim  
President, World Taekwondo Federation of B.C.
